Apr 6 (Edited Apr 6)

Good morning everyone! Today is Monday. Please watch the virtual zoo with me at 11:30

<http://www.capemaycountynj.gov/1400/Virtual-Zoo-School>. It's ok if you miss it at that time, they record it and you can watch it later. Please comment something you learned about the animal as a check in.

Go to <https://www.raz-plus.com> and click on the green box- kid's log in. It might look kind of different from the Raz we used in class but the assignments are still there.

Teacher's name: mzameito

Find your name and click on your password picture. If you forgot your picture see my post for March 25, everyone's is listed.

If anyone needs help with their work from their regular classroom teachers please comment or send me an e-mail.

I hope to hear from you all today! 😊

Apr 30 (Edited Apr 30)

Good morning! Today is Thursday April 30, 2020. Please tell me your favorite movie as a check-in below. 🧑🏻🏠

I talked to some parents and some of you guys yesterday and Tuesday. If I didn't get through please email [mzameito@acboe.org](mailto:mzameito@acboe.org) me a good phone number and I'll call you and your parents today.

Please let me know if you need any help with your work in your classes by commenting below or emailing me.

For my students in Mrs. Pontillo's class please see the syllables flashcards that I posted on Monday, if you haven't already.

For my students in Mr. Hughes' class please see the -er ,-est flashcards that I posted on Monday.

Everyone please keep reading on Raz and/or doing Brainpop ELL assignments. If I see you are working on either I'll give you extra stars for your avatar on Raz.

Google Translate in Spanish:

¡Buenos días! Hoy es jueves 30 de abril de 2020. Cuéntame tu película favorita como check-in a continuación. 🧑🏻🏠

Hablé con algunos padres y algunos de ustedes ayer y martes. Si no lo conseguí, envíeme un correo electrónico [mzameito@acboe.org](mailto:mzameito@acboe.org) con un buen número de teléfono y hoy los llamaré a usted y a sus padres.

# Bilingual teacher facilitates

**Maribel Cardo** May 4

El resumen- del cuento "El Tesoro de Lemon Brown" es de un muchacho llamado Greg Ridley que no esta pasando su clase de matematicas en el colegio. La directora del colegio mando una carta a su papa notificando que tenia Greg poco interes y efuerzo en matematicas. Greg quien es el personaje principal y el narrador queria entrar en un equipo de basketball llamado "Los Aracranes" pero su padre dejió que todo dependia de sus notas en matematicas para entrar en el equipo. El lugar de la historia es en Harlem, Nueva York. En la historia hay un edificio abandonado viejo en donde algunos de los muchachos del barrio van a pasar el tiempo a veces. Greg un dia de lluvia decidio entrar al edificio abandonado para sentarse en un sofa viejo y pensar sobre su padre. Mientras estaba pensando de le aparece un hombre quien dijo se llamaba "Lemon Brown". Estaba vestido con trapos como una personas desamparada y aparecia muy viejito y muy flaco. EL hombre le dijo que vivia en ese edificio abandonado y que tenia un tesoro escondido y que nadie sabia sobre su tesoro. Al principio Greg le tenia miedo al hombre pero despues empeso a conversar con el. De pronto entraron tres muchachos y atacaron a Lemon Brown porque dijieron haber escuchado que Lemon Brown hablo sobre un tesoro que estaba escondiendo. Lemon Brown forsajio con ellos y ellos se fueron coriendo. El le conto a Greg que el hiba sido cuando joven un musico famoso y que el hiba viajado a muchos lugares tocando musica para mantener su esposa y su hijo. El hombre le enseno a Greg como el hiba guardado los articulos de periodicos y su harmonica vieja porque el sentia que necesitaba tener algo para demostrarle a sus hijo quien se hiba hido a la guerra quien verdaderamente fue su padre. Despues que la lluvia paro Greg we regreso a casa y Lemon Brown le dijo que el tambien se hiba ir a Louisiana. Al final de la historia Greg regresa a su casa a enfrentarse con su padre sobre sus notas en matematicas pero con una attitude mejor.

Jessica Anderson posted a new assignment in [Mattner/Soto At Home Learning Grade 4 Grade 4](#).

## Reading - Anderson Read Aloud "The Problem with Plastic"

Listen to the read aloud "The Problem with Plastic"

Answer the questions:

- \* Why did the author include a section labeled "kids making a change"?
- \* Why did the author chose the headings "making life easier", "oceans of plastic", and "pitching in"?
- \* Why did the author use those photographs?

City name	Data Set	Area	
Hammonton	41, 44, 52, 63, 72, 82, 87		
Word	Notes	Show work	
Mean	• Add all of the numbers. • Divide by how many there are.	$41+44+52+63+72+82+87 = 441$ $441 \div 7 = 63$	63
Median	• write the number in order from L to G. • Located the middle.	<u>41, 44, 52, 63, 72, 82, 87</u>	63
Mode	Identify the # that repeat the most	No mode	No mode
Range	The difference between G to L #.	$87 - 41 = 46$	46

So I'm using the city of Hamilton.

## Grade 7 Math Work (Week of May 11, 2020)

Good morning, Lordia, Ashley, Pablo and Alondra,

You will find a review packet that you can work on at your own pace this week. You can send the answers to me on a Google Doc. You can also complete 45 minutes of iReady and check our other Classroom if you want extra work. Be sure to log onto attendance on our 7-2 Classroom or assignment list. You can also send me a message so you won't be marked absent.

Have a great day!,

Mrs. Rizzolo
